

# SUPPORT COORDINATION

With more than 50 years of experience supporting people with disability, cape is a trusted provider with the knowledge, expertise and networks to assist you to get the most out of your NDIS plan.

## Why choose us?

- Industry experience
- Personalised service
- Choice and control

Support Coordination is a **Capacity Building Support** that helps you to:

- Understand and use your NDIS plan to achieve your goals.
- Connect you with services to access the supports you need. These include NDIS providers, community, mainstream and other government services.
- Build the skills and confidence to coordinate and use your supports.
